

Features

- Semi-open fronted design for easy access.
- Integrated slots for transparent dividers to support product separation
- Bin stop mechanism to prevent accidental removal from shelves
- Durable lable holder with included labels for clear product identification
- Bins can be nested when not in use to reduce storage space
- Designed to maximize shelf space, especially with shelving systems.

RS PRO Shelf Storage Bins Range, 300mm D x 90mm W x 95mm H, Blue

RS Stock No.: 0802724

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO Shelf Storage Bins Rang, 300mm D x 90mm W x 95mm H, Blue

RS PRO robust blue polypropylene shelf bins offer a practical and long-lasting alternative to traditional carboard or steel storage solutions, designed for versatility and performance.

Engineered to withstand demanding environments, the bins are resistant to most oils, grease and chemicals, marking them ideal for industrial, commercial and retail applications. Their space-efficient design maximises shelf capacity, especially when paired with compatible shelving systems. When not in use, the bins nest neatly to minimise storage space requirements, offering both convenience and efficiency.

Features and Benefits:

- Type: Shelf Storage Bins
- Integrated slots for transparent dividers to support product separation (**the transparent dividers are not included**)
- Bins can be nested when not in use to reduce storage space
- Available accessory for Bin Stop (**Article ??**), transparent bin dividers (**Articles ??**) and label holder (**Article ??**).

General Specifications

Type	Storage Bins (sub-dividable)
Bin Material	Polypropylene
Overall Dimension	300X90X95mm
Overall Height	95mm
Overall Width	90mm
Overall Depth	300mm
Pack Q'ty	40pcs
Colour	Blue

Approvals

Declarations	REACH DoC
