RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

RS PRO Trapezium 2-Hole Dock Bumper is expertly engineered to provide robust protection against heavy impacts, safeguarding both vehicles and structures in demanding environments. Constructed from durable TPX rubber, this premium dock bumper ensures exceptional longevity and resilience, making it a top choice for loading docks, warehouses, garages, and marine settings. Designed for efficient installation, it requires just two fixings, allowing for quick and secure attachment to trucks or structural surfaces.

Ideal for high-traffic areas, this dock bumper plays a crucial role in reducing impact damage and extending the lifespan of loading dock facilities. Whether you need dock bumpers for trucks or rubber bumpers for warehouses, the RS PRO Trapezium Dock Bumper delivers unmatched performance and reliability.
