

BT8600 Advanced Call Blocker

Block up to 100% of Nuisance Calls

The BT8600 Advanced Call Blocker, powered by trueCall's award winning technology, offers users complete control over which calls they want to take and those they wish to block.

Call Guardian

The BT8600 includes BT's new Call Guardian, which means you'll never have to speak to another cold caller again:

- Call Guardian screens incoming calls:
 - Numbers on your contact list get straight through
 - Numbers you have blocked are rejected (selected by user)
- For all other calls Call Guardian asks the caller to say their name and then asks the user whether they want to accept or block the call without speaking to the caller

Blocking calls can be done in a number of ways:

Block by Number

The BT8600 can block 1000 individual numbers, meaning that you really can avoid speaking to the people you don't want to. Over time, the phone learns which callers you do and don't want to hear

Block by call type

Choose the type of calls you want to block. For example, mobile, international, withheld, unavailable or payphone numbers can all be blocked. Plus you can even block numbers by location (i.e. Use the area code or a suffix).

Do Not Disturb

For those times when you just want some peace and quiet, switch on Do Not Disturb so that your phone won't ring or light up. If you want key friends and family to still get through, they can do, by tagging them as VIP's in your address book.

Main Features

- Dedicated BT Call Guardian button for one touch blocking
- Block up to 100% of Nuisance Calls
- Block up to 1000 numbers or block calls by type
- Customisable Call Guardian settings giving complete flexibility
- Incorporates award winning truCall blocking technology
- 200 Name & Number directory
- Auto copy contacts between handsets
- 1.8" Colour Screen
- Hands free speaker
- Record up to 60 minutes of messages
- Easy guided set up
- Outgoing call controls (PIN protect calls to premium / mobile numbers)
- Backlit keypad for easy dialling even in poor light
- See who's calling before you pick up
- Long range reception up to 300m outdoors, 50m indoors
- Do not disturb mode
- Up to 21 hours of talking and 240 hours on standby
- See who's left you messages
- Easy access to BT calling features (3 way calling, call divert)
- See and hear if you have a second call waiting

(N.B you must subscribe to a Caller Display service from your network provider for nuisance calls blocking, text messaging and visual voicemail features. Charges may apply)
