

## Features

- **Durable Material:** Made from high-quality nylon for strength and longevity.
- **Secure Fastening:** Strong locking mechanism ensures a firm hold.
- **Versatile Use:** Ideal for organising cables, wiring, and general bundling.
- **Temperature Resistant:** Designed to withstand a range of environmental conditions.

## RS PRO Cable Ties

RS Stock No.: 0656083

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

These cable ties are durable, high-quality nylon fasteners designed for secure bundling and organisation. With a strong locking mechanism, they provide reliable hold and resistance to high temperature, making them ideal for various applications.

## General Specifications

|                               |  |
|-------------------------------|--|
| Series                        | Extra High Temperature   |
| Type                          | Non-Releasable   |
| Colour                        | Natural  |
| Material                      | Nylon 46   |
| Finish                        | Smooth   |
| Application                   | Designed for quick installation in high temperature applications |
| Resistant To                  | Not specified  |
| UV Resistant                  | No   |
| Minimum Operating Temperature | Not specified  |
| Maximum Operating Temperature | 150°C  |
| Fire Behaviour                | Self-Extinguishing   |
| Quantity                      | 100  |

## Mechanical Specifications

|                  |       |
|------------------|-------|
| Length           | 150mm |
| Width            | 3.6mm |
| Tensile Strength | 180N  |
