TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description: (Text limited to 120 characters)

PE series relay Cover color Change

Description of Changes

The following part numbers are being modified by changing the outside cover color from orange to natural. While both materials have the same characteristics, the same tests according to UL, VDE and CQC are passed. The Relay form (dimensions), features and ratings keep unchanged.

Cover color before change

Cover color after change

Reason for Changes:

Dear customer, to ensure a consistently high quality and to ensure the delivery capability we intend to change the current plastic material of the Cover. These parts are affected by the change mentioned above!
