NEW

Quick release
welding helmet
combination for
safety helmets.

3M has the intense desire to help improve your working conditions. Reliable protection and high quality have always been hallmarks in our product development and manufacturing.

We proudly present our latest high-performing auto-darkening welding helmet: 3M™ Welding Helmet 10-QR with a Quick Release rail that fits the industry's most popular safety

helmets. No more welding without head protection. And no more wearing a welding helmet when you do not need it.

The Power to Protect Your WorldSM

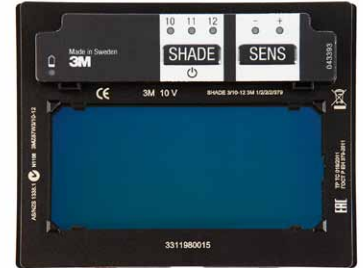

3M

3M™ Welding Helmet Series 10

Robust, industrial design.

Light weight - only 390 gram
(including auto-darkening
welding filter)

Can be worn with safety spectacles
and/or disposable respirators.
