RS PRO 200mm Steel Long Nose Pliers With 74mm Jaw Length

RS Stock No.: 125-3073

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted RS PRO brand, these VDE approved long nose pliers are excellent for holding and manipulating small parts and wires. With comfortable grips and serrated nose, a sure and secure grip is guaranteed. The pliers are insulated to VDE standards, which means they are ideal for repair, service technicians and engineers working near electrically energised systems up to 1000V ac.
