

Bosch Professional Blue Power tools warranty & warranty extension options

Professional Bosch power tools and lithium-ion batteries including chargers meet the highest quality demands. For this reason, we offer you a special service package. And it's free.

Bosch gives you a one year warranty on all Professional Blue power tools & Professional Measuring tools.

- **3-year warranty for power tools.** This applies to all professional blue power tools and measuring instruments from Bosch. The warranty excludes high-frequency tools, production cordless screwdrivers and pneumatic tools, supplied accessories, battery packs and chargers.
- **2-year Premium Service for batteries and chargers.** This applies to all professional blue Bosch lithium-ion batteries including chargers. If a defect occurs on a registered battery or charger during the term of the Battery Premium Service due to a material or manufacturing fault or due to wear, Bosch will replace it (possibly with a later model). Replaced batteries or chargers shall become the property of Bosch.

All you have to do is register your tool, lithium-ion battery or charger online within 4 weeks of purchase.

To perform a registration, please register first as a user. On your personal registration page you can then register your power tool, lithium-ion battery or charger for the 3-year warranty or 2-year Battery Premium Service. You will then receive a warranty or service certificate, which you can print out or save as a PDF document. You will also be able to manage your personal data.
