Product Description

Twist Tie is crafted from high-quality, flame-retardant Nylon 6/6 (UL94V-2 rated), ensuring reliable and safe cable bundling. It features a simple twist mechanism for easy use and is ideal for securing cables up to 16.2mm in diameter. With a natural finish and options for custom colours, it offers flexibility in various environments. Additionally, it is RoHS compliant, halogen-free, and comes in packs of 100, making it perfect for efficient cable management.

General Specifications

Colour	Natural
Material	Nylon6/6
