## RS PRO Male USB A to Female USB A USB Cable, USB 2.0, 1m, USB 2.0

RS Stock No.: 182-8488

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

This RS PRO male-to-female USB A to USB A cable is designed for situations where you need more flexibility. It allows you to keep devices closely coupled yet maintain a secure and fast connection. This lead is often used to link laptops and cameras, as well as peripherals. The male USB A connector plugs into the female USB A socket on a computer, while the female USB A connector slots into the male USB A connector on the cable that needs extending.
