RS PRO 1.5m 5 Socket Type E - French Extension Lead, 230V ac

RS Stock No.: 122-1095

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this robust multi-socket is ideal for powering several devices from a single mains power outlet. With multiple French Type E sockets leading to a French Type E plug, this socket can be used primarily in France, but also in several other countries, such as the Czech Republic.

Various sizes are available;

- [122-1094](#) is a 6 Way Extension Socket with a 1.5m Cable
- [122-1095](#) is a 5 Way Extension Socket with a 1.5m Cable
- [122-1096](#) is a 5 Way Extension Socket with a 4m Cable
- [122-1098](#) is a 3 Way Extension Socket with a 4m Cable
