RS PRO Blue Fully Insulated Female Terminal Reel, 16-14 AWG

RS Stock No.: 0778345

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Female fully insulated terminals on tape are designed for fast, reliable wire connections in automated or high-volume assembly. The fully insulated housing provides maximum electrical protection and strain relief, while the taped format ensures smooth feeding and precise placement during crimping. Ideal for secure, vibration-resistant connections in automotive, appliance, and industrial applications.
