The CLICK coupling system from NITO for the professional market – compatible with ecommonly used plastic couplings

The same high quality as Original NITO couplings
5-year functional guarantee

The CLICK coupling system is available in 1/2" and 3/4" sizes
Complete range for industry, trades, home and garden

The NITO CLICK coupling system covers many of the jobs where ordinary plastic couplings are used. The big difference is the durability and extremely robust design. CLICK solutions are suitable where there is a need for frequent coupling changes or where you simply want the easiest and quickest solution.

Manufactured at our own factory in Denmark.
