RS PRO Heavy Duty Connector Accessories

RS Stock No.:

0180114

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

The RS Pro Heavy-Duty Connector series is a full range of heavy-duty inserts, housings, crimps and accessories. The housing is produced from corrosion resistant powder coated die cast Aluminium with locking levers made from galvanized Iron. These offer IP65 protection and come in standard or tall variations with both single and double locking options. Ideal for harsh environments such as industrial machinery, food and beverage machines, packaging machines or oil and gas processing.
