RS PRO 2m Mini HDMI Cable

RS Stock No.: 0839447

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

HDMI Mini C is a connector defined in the HDMI 1.3 specification intended for portable devices. It is smaller than the Type A plug connector (10.42 mm × 2.42 mm) but has the same 19-pins. While devices are given version numbers, cables no longer use version number as they are compatible with various versions.
