RS PRO 1m USB 5Gbps Type C (M) to Type A (M) Cable 15W

RS Stock No.: 0839396

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This cable features both a Type-A connector and a Type-C connector making it the perfect solution for connecting modern mobile devices with a Type-C connector to a PC that doesn't have a Type-C socket, only a standard USB3.0 connection.

Reversible Connector: The new USB Type-C connector is smaller than most of the previous USB connectors. (Micro B is the exception.) It is also symmetrical; this allows you to plug the connector in either way up.

Also available in white.

General Specifications

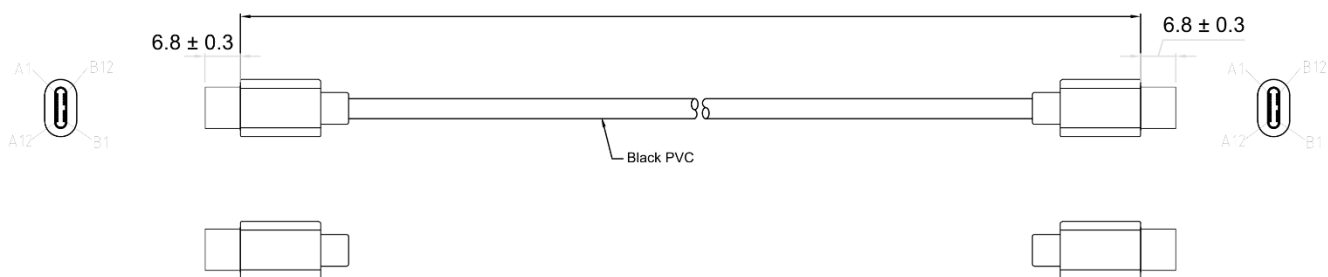

USB Type	5Gbps
Length	1m
Connector A Type	USB C
Connector A Gender	Male
Connector B Type	USB A
Connector B Gender	Male
Connector Style	Plug, straight
Data Transfer Rate	5Gbps
Outer Sheath Material	PVC
