- Unshielded

RS PRO RJ45 Economiser - Data/Voice (UTP)

RS Stock No.: 0834521

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This network economiser allows you to carry two connections over a single port and outputs the same two connections to different locations. It is the perfect solution to adding extra ports to your wall sockets. Please note: these adapters only work in pairs.

This adapter is designed for use on data/voice networks only.
