PRECAUTIONS FOR USE :

- Wear the gloves on dry and clean hands. It is recommended to test the gloves first. Actual use conditions may be different from the EU type tests.
- Before reusing, check the gloves for defects, holes, tears, unusual wear, etc.
- Expiration date : 5 years from the date of manufacture stated on the glove.

PROTECTION LIMITS :

- Do not use for handling objects with a temperature above 50°C.
- Do not use for handling chemicals or liquids.

SAFETY COMFORT AND DEXTERITY :

- Dexterity level 5.
- The glove does not contain substances at levels which are known or suspected to have harmful effects on the hygiene or health of the user under the expected conditions of use.

RECOMMENDED USES:

- Gloves specially designed for dexterous handling of dry parts, metalworking and automotive applications.

PACKAGING :

- In case of unpacking, a copy of the instruction sheet must be enclosed with the next smallest package.
- Bag of 10 pairs.
- Box of 100 pairs.

MAINTENANCE AND STORAGE

- No particular care is recommended. It is advised to store the products in a dark, cool, dry and ventilated area.

MARKING :

- The CE marking on this glove indicates compliance with the essential health and safety requirements of the European regulation 2016/425 on personal protective equipment (PPE).

RECOMMENDATION FOR END-OF-LIFE :

End-of-life destruction must be controlled and respect European traceability and environmental requirements.

EU Type Certificate issued according to Module B Regulation (EU) 2016/425
The EU Declaration of Conformity is available on
