

Product Information

Stokoderm® Frost

Skin Protection Cream when working in low temperatures. Prevents the skin from getting dry under cold conditions.

DESCRIPTION

Stokoderm® Frost is a special, easy to apply skin protection cream for protection under cold conditions outside and indoors (cold storage). High quality ingredients protect and care for the skin and help to maintain the skin's natural barrier function.

AREA OF APPLICATION

Working under cold conditions.

NB: Using skin care products does not release you from your duty to take the prescribed protective measures.

INSTRUCTIONS FOR USE

- Thoroughly rub Stokoderm® Frost onto dry and clean hands
- Do not forget to apply on the fingernails and between the fingers
- If necessary apply to further areas of skin at risk
- Stokoderm® Frost is also suitable for the use on the face
- Stokoderm® Frost should be applied 15 minutes before work
