Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulations, TE’s information on SVHC in articles for this part number is still based on the European Chemical Agency (ECHA) ‘Guidance on requirements for substances in articles’(Version: 2, April 2011), applying the 0.1% weight on weight concentration threshold at the finished product level. TE is aware of the European Court of Justice ruling of September 10th, 2015 also known as O5A (Once An Article Always An Article) stating that, in case of ‘complex object’, the threshold for a SVHC must be applied to both the product as a whole and simultaneously to each of the articles forming part of its composition. TE has evaluated this ruling based on the new ECHA “Guidance on requirements for substances in articles” (June 2017, version 4.0) and will be updating its statements accordingly.

Also in the Series | [Potter & Brumfield KRPA](#)

A white rectangular AC relay with multiple gold-colored pins on one side and a mounting bracket on the other.

AC Relays(21)

A silver rectangular DC relay with a mounting bracket and pins.

DC Relays(24)

A collection of various electromechanical relays, including a large black one and several smaller ones in different colors like blue and red.

Electromechanical Relays(45)

A collection of various plug-in relays, including a large black one and several smaller ones in different colors like blue and red.

Plug-In Relays(45)

A collection of small relay accessories, including a white plastic component and a black component.

Relay Accessories(4)

Customers Also Bought

A black rectangular component with two orange rectangular sections on the front.

TE Part #DRC16-70SBE-P013UK  
PLG, 70P, BLK, E, SEAL BOND, B

A silver cylindrical component with a flange.

TE Part #SRK-PC-080-25-601  
PIN, SOLID, SIZE M8, 25mm2, AG

A black component with a lever and a yellow pin.

TE Part #K1007153  
Toggle Switch 08-1-1-13

A black component with a lever.

TE Part #DTT-20-03  
CRIMP TOOL

A cylindrical component with a black top and a silver base.

TE Part #K1060489  
Relay 29-113-12

A grey cylindrical component with a flange.

TE Part #K1008699  
Relay 26-60-05

A collection of small black components with red and green rings.

TE Part #CAT-H396-CH8172  
DEUTSCH HDP20 Housings

A grey component with a lever.

TE Part #K1002956  
Toggle Switch 08-4-1-13

A white rectangular component with gold-colored ends.

TE Part #2-2176245-2  
CRGS1206 5% 56R
