RS PRO Plier Set

RS Stock No.: 125-3100

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted RS PRO brand, this high quality insulated tool kit is highly versatile. Insulated to protect you from up to 1000V, the toolset also includes a single-pole voltmeter, and so is well suited to electronics applications.
