

## **Features**

- Waterproof IP67 rating guarantees protection against extended immersion under higher pressures
- External cable diameter 6~8mm
- Voltage rating of 60V AC/DC
- Current rating of 4A
- Gold-plated brass contacts for corrosion resistance
- Threaded mating type
- Operating temperature range from -25°C to 80°C
- Nickel plated zinc alloy shell
- Conforms to standards IEC 61076-2-101

# RS PRO Female M12 5 Pin A-code Connector

RS Stock No.: 0124624

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

# **Industrial circular connectors**

#### **Product Description**

The 5 pin A-code female M12 metal field wireable connector had been widely used for automative and sensor application, it's shielded.

#### **General Specifications**

| Number of Contacts     | 5                  |
|------------------------|--------------------|
| Shielding              | shielded           |
| Housing Material       | Zinc alloy         |
| Contact Material       | Phosphor copper    |
| Contact Plating        | Gold               |
| Pole Format            | 5 pin              |
| Contact Gender         | Female             |
| Mating Type            | Threaded           |
| Body Orientation       | Straight           |
| Mating Cycles          | 500                |
| Cable limits           | 6-8mm OD           |
| Typical conductor size | 22AWG              |
| Application            | Sensor, automation |

## **Industrial circular connectors**

| Plug/Socket           | Plug      |
|-----------------------|-----------|
| Current Rating        | 4A        |
| Voltage Rating        | 60V AC/DC |
| Insulation Resistance | ≥100MΩ    |

## **Mechanical Specifications**

| Connector Size     | Standard |
|--------------------|----------|
| Termination Method | Screw    |
| Contact Diameter   | 22AWG    |

## **Operation Environment Specifications**

| Operating Temperature | -25℃ to 80℃ |
|-----------------------|-------------|
|                       |             |

## **Protection Category**

| IP Rating | IP67 |
|-----------|------|
|           |      |

### **Approvals**

| Compliance/Certifications | CE, Rohs, Reach, IP67 |
|---------------------------|-----------------------|
|                           |                       |
