

DeWalt DCB187-KR

20V MAX / 3.0Ah new SOC Battery "L

Introduction

The **DCB187-KR 20V XR® Li-Ion 3.0Ah Battery Pack** is designed for professional applications requiring a perfect balance of compact size and extended runtime. Its high-capacity 3.0Ah cell technology provides significant power delivery without adding unnecessary bulk, while maintaining a lightweight footprint that reduces tool fatigue. The integrated three-stage LED fuel gauge provides immediate state-of-charge feedback, making it ideal for keeping your cordless tools running efficiently on the jobsite.

Key Features

- DEWALT XR 3.0Ah Li-Ion Battery Technology offers extended runtime and Optimized power to complete applications quickly
- Delivers the optimum runtime to weight ratio perfect for lighter and second fix applications
- Inbuilt Protection against overheat, overload and deep discharge, increases battery life

Specifications Table

Specification	Details
Product Height [Metric]	57 mm
Product Weight [Metric]	0.54 kg
Battery Voltage	18 V
Product Width [Metric]	84 mm
Tool Connect Compatibility	No
Product Length [Metric]	132 mm
