Fan Filters

RS Stock No.: 0283170

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Keep your axial fans safe from dust, dirt and contaminants with these RS PRO Fan Filters. This high-quality fan filter has been designed with a combination of aluminium and stainless-steel materials to ensure maximum durability and airflow. Its mesh screen provides an easy-to-fit filter that protects your fans from unwanted particles. With RS PRO, you can be sure you are getting quality protection for your dual-bearing axial fans!
