

## Features

- Fully insulated
- Machine compatible tape
- 600 Volt Max
- 105°C Max

## RS PRO Red Fully Insulated Female Terminal Reel, 22-26AWG

RS Stock No.: 0778344

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

*Female fully insulated terminals on tape are designed for fast, reliable wire connections in automated or high-volume assembly. The fully insulated housing provides maximum electrical protection and strain relief, while the taped format ensures smooth feeding and precise placement during crimping. Ideal for secure, vibration-resistant connections in automotive, appliance, and industrial applications.*
