RS PRO Superior 2

RS Stock No.: 0687593

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO Superior 2 Chair is an advanced seating solution designed for demanding work environments where ergonomic support, comfort, and durability are priorities. Combining modern design with adjustable features, it provides excellent comfort and support throughout long working hours.

Product Features:

- ✓ Ergonomic seat and backrest with high-resilience foam – adapt to body shape, delivering superior comfort during extended use
- ✓ Adjustable seat height and depth, backrest height and tilt angle – allows full ergonomic customization
- ✓ Adjustable headrest – tilt and height adjustments for enhanced neck and head support
- ✓ Sturdy aluminum five-star base – ensures long-lasting durability and excellent stability under heavy use
- ✓ Rubber-coated castors – protect floor surfaces and ensure smooth, quiet movement
- ✓ Easy maintenance – designed for simple cleaning and resistance to dirt
- ✓ Wear-resistant upholstery – available in various fabric options that maintain appearance and are easy to clean

RS PRO Superior 2 Chair is an excellent choice for production lines, technical service centers, and modern office spaces where ergonomic comfort and robust construction are essential. It is widely used across industries such as general manufacturing, automotive, research and development, healthcare, and administration.
