Datasheet
RS PRO Panel Mounting printer
Stock No: **178-5732**

This RS Pro panel mount printer is compact fixed head thermal line panel printer with a very shallow behind-panel depth. The transparent front paper cover gives visual indication of paper roll level. It has an electrical rating of 5.0VDC to 8.5VDC and 2A. RS232 Interface.
This printer has a resolution of 8dpmm (203dpi) with 384 dots per line. The effective printing width is 48mm.

Features and Benefits

Simple drop-in easy paper loading for operational efficiency.
Data input is RS-232 serial.
Self-test function
Compact dimensions; Height 80mm, width 75mm, depth 45mm
Paper width is 57.5mm (max)
High performance thermal printer mechanisms ensure fast, reliable printing.
Reliable long life expectancy with MCBF 5~15 x 10^6.
Easily embedded into many devices.

Applications

Receipt printing
Medical equipment
Taxi Meter
Industrial Instruments
Portable printers and terminals
Test and measurement instruments
Ticket printing.
