## RS PRO 9 piece Masonry Twist Drill Bit Set, 4mm to 12mm

RS Stock No.: 694-425

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The 9 piece set of masonry drill bits from RS PRO features drill bits in sizes ranging from 4mm to 12mm that are ideal for use in a wide range of installation and maintenance applications. These high quality drill bits feature a plain shank and are tungsten carbide tipped, ensuring excellent strength and durability. The masonry drill bits are compatible with power tools such as hammer action drills, ensuring quick and efficient drilling in a variety of masonry materials such as concrete and brick.
