

Product Data Sheet

Part Number	IFNY16014040
<u>Overview</u>	160mm Stainless steel fixed castor
Manufacturer	Flexello
<u>Attributes</u>	
Load capacity	300kg
Type	Fixed unbraked
Wheel diameter	160mm
Tyre material	Nylon
Mounting	Top plate 137x105 Bolt holes 105x80mm
Wheel width	45mm
Overall Height	200mm

Selling Points	Stainless steel non corrosive material Nylon wheel allows castor to be washed down Suitable for food industry European standard bolt holes
