

Features

- Simple to install
- Designed to push through from outside the chassis
- Locking mechanism securely holds PCB

RS PRO Cupped Reverse Locking Circuit Board Support

RS Stock No.: 0726469

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

The cupped reverse locking circuit board supports are design to be pushed through from outside of the chassis, thus minimising any protrusion and leaving a smooth domed head feature covering the fixing hole. The releasable locking mechanism securely holds the PCB in place.

Material Specifications

Material Type:	Nylon 6,6
Colour:	Natural
Flammability Rating:	Nylon 6,6: UL94-V2
Working Temperature Range:	-40°C to +85°C

Part Specifications

Parameters	
Spacing Height (A)	9.5mm
PCB/Top Hole Diameter	3.18mm $\pm$ 0.05mm
PCB Thickness	1.57mm
Panel/Bottom Hole	4.75mm $\pm$ 0.05mm
Panel Thickness	1.5 – 1.6mm
