Exacompta Crystal Vertical Expanding File, 6 Sections This vertical, fully plastic, waterproof and durable suitcase organiser organises the classification inside a backpack or in a more general way to classify up to 200 sheets in portrait position. It has a flap that keeps the sorter closed or in the open position because the flap can be attached to the back of the sorter through a notch. The tabs are equipped with label holders to easily identify each compartment. Two sheets of labels are provided, they can be printed on the Kreaman application from www.exacompta.com. The vertical sorter also has 2 label holders on the front panel to insert business cards or identify the contents.
