### Bench Mount Cable Dispenser

RS Stock number: 556-266

### Description:

The Wire Reel Holders are ideal for all production environments in which harness, assembly and wiring work are undertaken. It is equipped with a wooden rod reel carrier and a tension bar to keep reels revolving without overriding or backlash to tangle the wire. The soft plastic edge of the tension bar acts as a static brush to remove lint and dust from the wire as it is pulled out for use. The unit, with the reels removed can be folded flat for convenience in storing. The unit handles 4 wire reels.
