RS PRO Police Lockers

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO Police Lockers

RS PRO offer a variety of Police Locker solutions. From the storage of 'Airwave' radios to PSU bags, we have the right solution for police forces throughout the UK.

The large sizes of the locker offers more room for day to day clothes as well as police uniforms, containing everything in the one location which is both safe and secure. Versatile, hard-wearing and reliable, our lockers provide quality, choice and security as standard.

Versatile, hard-wearing and reliable, our lockers provide quality, choice and security as standard.

Lockers have been tested and conform to the requirements of the British Standard for Clothes Lockers BS 4680: 1996 'Standard Duty'

ActiveCoat antimicrobial technology is incorporated into all our locker products at the time of manufacture, offering constant protection against a wide range of bacteria.

Important note regarding locker installations

Wherever possible lockers should be secured to ensure stability. Single lockers should ideally be fixed back to a wall. Runs of lockers should be fixed together side-to-side and either fixed back to a wall or fixed back-to-back to another run of lockers

Approvals

Standards Met	BS 4680: 1996
---------------	---------------

Standard Police locker

- Fixed and sturdy top shelf, heavy duty hanging rail and coat hook for clothes storage.

Height - 1800mm	
Width	Depth
450mm	450mm
600mm	600mm

Locker with lockable cube

- Comes with 6" lockable cube and clear perspex front. This allows inspection of items stored whilst doors are closed and secure.
- Perforated door provide additional air circulation. This allows outside clothes too dry better and for unpleasant odours from building up.

Locker with CS cannister holder

- CS cannister holder. Perforated door allows visual confirmation if the cannister is present.

Locker with Airwaves & CS cannister holder

- Airwaves radio compartment.
- CS cannister holder.
- Door vents provide additional air circulation. This allows outside clothes too dry better and for unpleasant odours from building up.

Height - 1800mm	
Width	Depth
600mm	600mm

Crew lockers

Crew lockers are larger volume lockers, ensuring ample storage space with internal dividers to segregate bulky uniforms, boots, equipment and personal possessions. Lockers feature reinforced shelf with heavy duty hanging rail and reinforced and stiffened doors for added strength.

4 compartment

- Fixed heavy duty top and lower shelves.
- Divided compartments.
- Heavy duty hanging rail.
