RS PRO Slimline Dock Bumper 450mm Length x 270mm Width x 66mm Height SBR

Vendor Partcode.: 0688187

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

RS PRO Slimline Dock Bumper is designed to provide exceptional protection for loading bays, vehicles, and structures while allowing closer maneuvering due to its compact, middle-plate-free design. Unlike traditional three-part bumpers, this model eliminates the middle plate, enabling vehicles to dock closer while maintaining robust impact resistance.

Built with a sturdy backplate, it ensures permanent installation for long-term protection, while the simple-to-replace front plate makes maintenance quick and hassle-free.

Upgrade your loading dock safety with the RS PRO Slimline Dock Bumper, offering space-efficient design, reliable impact resistance, and effortless maintenance.
