RS PRO Superior 1

RS Stock No.: 0687592

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

RS PRO Superior 1 Chair is a professional seating solution designed for demanding work environments where comfort, ergonomics, and durability are essential. With its refined design and robust construction, it's suitable for production lines, technical workstations, and modern office spaces alike.

Product Features:

- ✓ Ergonomic seat with high-resilience foam – ensures superior comfort and promotes healthy posture during extended use
- ✓ Rubber-coated castors – protect floor surfaces and ensure smooth, quiet mobility
- ✓ Easy-care materials – resistant to dirt and simple to clean, making daily maintenance hassle-free
- ✓ Adjustable seat height, backrest height, and tilt angle – allows for a fully personalized ergonomic setup
- ✓ Durable aluminum five-star base – offers excellent stability and long-lasting performance, even under heavy use
- ✓ Wear-resistant upholstery – available in various fabric options that maintain appearance and function over time

RS PRO Superior 1 Chair is ideal for technical workstations, production environments, and offices that require high ergonomic standards and lasting comfort. Its combination of style and functionality makes it a reliable solution for professionals across sectors such as general manufacturing, automotive, R&D, healthcare, and administration.
