**DESCRIPTION**

**FOAM MODULE 1/3 12 COMBI KEYS WITH COUNTER ANGLE 8-19MM**

1/3 foam module with 12 offset combination spanners (53-L...) These 12 offset combination spanners cover the size range going from 8 mm to 19 mm, suitable for a variety of industrial applications. Long counter-offset head: its great clearance makes it possible to get around an obstacle even close to the nut to be worked on. Fine head: makes it possible to pass the head into confined spaces. Long body: makes it possible to apply high torques. Satin chrome finish. 12-flat flank drive wrench with Surface Drive profile. Forged Chrome Vanadium steel. The wrenches are ingeniously stored in a made-to-measure foam tray. Made with high-quality materials, our offset wrenches withstand intensive use.
