

Product Specification PDF

Date	Correct as of 16th Jan 2025
Brand	C.K Tools
Product	T3114 05515
Description	Vorteck Masonry and multi material Bit 5.5 x 150mm
Barcode	5013969250312
Commodity code	8207503000
Country of origin	CN

Features & Benefits

Innovative Ceratizit Carbide tip with PATENTED groove technology, throw away the hammer and cut with Carbide!~ Optimised for fragile materials such as roof tiles/slates and kitchen /bathroom tiles.~ Precision engineered for close to the edge drilling.~ Efficient, Up to 30% less pressure needed than standard carbide bits*~ 2X faster drilling in medium density block and concrete*~ 3X more durable than other big brand multi bits*~ Low energy drilling suits battery tools.~ No percussion means low noise, low vibration operation.~ Sharpened tip helps cut through wood, plastics, and sheet steel without overheating.~ 1/4" 6.35mm quick change shank for use with impact and combi drills.~ Not suitable for hammer action. Minimal pressure should be applied when used in impact drivers.~ *When independently tested against the two leading brands. Not suitable for high density brick, block, tile and concrete.
