

Features

- **Clear Flexible Sheeting** – Allows full visibility of documents without needing to open the holder.
- **Secure Zip Lock Closure** – Protects documents from dust, moisture, and accidental loss.
- **Metal Eyelet for Hanging** – Enables easy attachment to walls, machines, or lockout stations.
- **Ideal for A4 Documents** – Perfect for storing permits to work and lockout/tagout documentation.
- **Portable and Lightweight** – Easy to carry or reposition as needed across different job sites.
- **Promotes Document Accessibility** – Keeps critical safety paperwork visible and at the point of use.

RS PRO Permit Holder

RS Stock No.: 0694381

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- *The Lockout Tagout Permit Holder is a lightweight, transparent pouch specifically designed for storing and displaying A4-sized LOTO permits and documents.*
- *Made from clear flexible sheeting material, it allows quick visual access to permit content without removal.*
- *Zip-lock closure secures documents against environmental exposure such as dust and moisture.*
- *A metal-reinforced eyelet makes it easy to hang the pouch near machines, lockout areas, or control panels.*
- *Ideal for permit-to-work systems, safety procedures, and inspection records.*
- *Provides a cost-effective, simple solution for improving compliance and keeping vital documents organized and protected.*
