

**Product: indi Code Mat & Literacy Cards**

**Part Code. 980-0227**

20-Pack of colour tiles that are placed on the floor to communicate instructions to indi. With additional tiles, kids can extend their learning and create more complex mazes.

**SCREEN-FREE LEARNING**

indi's colour tiles can be used with indi right out of the box to communicate instructions about where to turn, how fast to go, and special moves students want to see.

**EVEN MORE POSSIBILITIES**

This set of colour tiles can be used as replacement tiles or to add to your collection for longer and more complex maze building

**DURABLE LATEX-FREE RUBBER**

indi's Color Tiles were designed to stand up to heavy use in the classroom or at home!

**LEVEL UP LEARNING**

Once, they've mastered screen-less programming, kids can use the Sphero Edu Jr App to

learn block coding concepts by changing how indi reacts to colour tiles
