

Features

- Twin dies ensure a perfect crimp.
- Precision-machined dies ensure accuracy.
- Compound-lever action multiplies hand force by 12x for less crimping effort.
- Long-lasting return spring for ease of use.
- Crimping dies chemically blackened and hardened to HRC 58 for durability.
- Zinc-plated handles, with soft plastic grips for added comfort.

RS PRO Crimping Tool For HT Auto Ignition Terminals

RS Stock No.: 0606321

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO Crimping Tool For HT Auto Ignition Terminals

Designed for crimping terminals to 7 mm HT auto ignition cable. Twin dies: one curves the terminal round the wire, the other closes the "ears" into the cable insulation for a secure crimp.

Compound-lever action for one-handed operation. Use on spark plugs, distributors and ignition coils.

Benefits

- Use to crimp high tension auto ignition terminals to 7 mm HT cable.
- Two-step process for peace of mind - second crimp secures terminal firmly to lead.
- Single-handed operation.
- Designed for operator comfort, even when used repeatedly.
- Built to last, with a robust construction and rust resistant finish.

Applications

Designed for use by professionals and enthusiasts in car maintenance and classic car restoration. For securing terminals to 7 mm high tension cable in the following applications:

- Spark plug wires and cables.
- Coil wires, connecting ignition coil to distributor.

General Specifications

Wire Size mm ²	7mm ²
Product Type	Crimping Tool
For Use With	HT Auto Ignition Terminals
Operation	Hand
Height Safe	No
Ratcheting	No
Overall Length	200mm

Mechanical Specifications

Crimp Connector Type	High tension auto ignition terminals
Adjustable Ratchet	No

Finish	Steel Jaws Zinc Handles
No. of Crimping Positions	1
Width	60mm
Height	34mm
Height Safe	No
Wire Size (mm²)	7 mm
Weight	505g

Approvals

Declarations	REACH DoC
