

Features

- **Superior Impact Protection:** Absorbs shocks effectively, minimizing damage to trucks, loading docks, and structural surfaces.
- **Flexible Installation Options:** Can be mounted on vehicles, buildings, or docking areas for maximum adaptability.
- **Low-Maintenance Design:** Requires minimal upkeep, reducing downtime and replacement costs.

RS PRO Trapezium Dock Bumper 450mm Length x 250mm Width x 100mm Height SBR/NR

Vendor Partcode.: 0688198

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

RS PRO Trapezium 2-Hole Dock Bumper Designed for superior impact protection, the *RS PRO Trapezium 2-Hole Dock Bumper* ensures the safety of vehicles and structures in high-traffic areas. Made from durable SBR/NR rubber, this heavy-duty bumper is built to withstand repeated impacts, reducing damage to loading docks, warehouses, garages, and marine environments. Its versatile installation allows it to be securely mounted on either the vehicle or the structure that requires protection. With an easy two-hole fixing system, installation is simple and hassle-free, making it a practical solution for demanding applications.

The *RS PRO Dock Bumper* is an essential addition for environments requiring reliable impact protection. Whether used in warehouses, loading docks, garages, or maritime settings, this bumper enhances safety and operational efficiency by reducing collision damage.
