RS PRO Aluminium Checker Plate 2000 mm x 1000 mm

RS Stock No: 495-322

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

The RS PRO checker plate is made from aluminium alloy and has been through a process where it's pressed with a raised pattern, creating characteristic diamond shapes. This form of texturing adds durability and strength to the plate while enhancing its visual appeal.
