

Datasheet

RS Pro 2m power cord, Bottom Angle Unterminated to C13 (IEC), 10 A

RS Stock No: **744-0938**

Product Details

RS Pro power cord in black colour, has bottom angle non-terminated connector on one end and C13 (IEC) connector on the other end. It is current rated at 10 A. This 2 m long power cable cord has a fully moulded IEC C13 socket and non-terminated integral leads. The C13 socket is widely used in household and commercial appliances, typically in computer monitors and larger utilities. The non-terminated end allows flexibility and convenience when installing appliances. This power cord is highly reliable and has excellent quality.
