

Sentinel PAPR Faceshield TH3

Lightweight, well-balanced solution designed for comfort and full adjustability.

The Skytec Sentinel PAPR Visor delivers exceptional protection, comfort, and flexibility. Its convenient flip-up design allows users to easily switch between protected and open-view modes without removing their PPE. A flame-retardant, soft chin seal with a self-adjusting toggle ensures consistent comfort and a reliable fit across a wide range of face shapes. reducing the need for multiple hood sizes.

Features

- ▲ Flip-up feature enhances flexibility, comfort, and efficiency
- ▲ Adjustable visor depth for a personalised and comfortable fit
- ▲ Clear, wide vision with EN166 medium-impact protection
- ▲ Replacement visors available in clear, amber, and shade 3 or 5 variants
- ▲ Adjustable soft chin seal
