- **750 mm length:** Provides ample coverage for a variety of dock sizes.
- **Black colour:** Offers a professional appearance and blends well with most dock environments.

RS PRO Dock Bumper, Trapezoidal, 750 mm Length

RS Stock No: 688-204

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Dock Bumper is designed to provide robust protection for loading docks and vehicles. Made from durable natural rubber and styrene butadiene rubber, it effectively absorbs impact, reducing damage to both structures and vehicles. Its trapezoidal shape ensures optimal coverage and protection.
