PPS1 RSI AL - Aluminum body valve

The PREVOST PIPING SYSTEM's aluminum body valves for pipes are made of aluminum, compact, lightweight and easy to install. The product is durable, recyclable and can also be easily modified. Fittings are treated with an electrocoating process to protect them from corrosion.

Max. operating pressure	Min. / Max temperature	Material
16 bar	-20 / 80 °C	Aluminium

Part number	For pipe OD	Net weight (Kg)	Dim. A (mm)	Dim. B (mm)	Dim. C (mm)
1. PPS1 RSIAL50	50 mm	1.55	84	261	123
1. PPS1 RSIAL63	63 mm	2.250	100	282	138
1. PPS1 RSIAL80	80 mm	4.200	120	390	180
2. PPS1 RSICAL50	50 mm	1.35	90	217	126
