

## Rapid R53, kit + 1080 staples

Light, easy to handle staple gun for DIY and home projects or easier professional jobs. Made in tough, robust plastic, craftsmen appreciate features such as high performance, light weight, long working life and its ability to cope with regular use.

The R53 is also suitable for users with smaller hands. Ideal for furniture upholstery, decorative work with diverse textile types or fastening of quilts, posters or leather.

### Features and Specifications:

- All-steel wear parts inside
- Ergonomic handle
- Made in Sweden
- 3 years guarantee
- For staples 53: 4-10 mm
- Supplied in Touch & Feel FSC certified cardboard packaging
