

ToughStripe Max

Brady's new ToughStripe Max Floor Marking tape can increase workplace safety for pedestrians while increasing workplace vehicle efficiency with a reliable marking solution for all traffic levels. Floor marking is at the foundation of most organisations' 5S projects, associate certain colours with certain areas or actions.

Product Description

Add another option to make your facility safe and lean with ToughStripe Max, a new option in our floor marking tape family. This tape offers improved durability in high-traffic areas where sliding or dragging forces often occur, while maintaining the adhesive capabilities you've come to expect from our ToughStripe floor marking line..

Features & Benefits

- Greater thickness for resistance to cuts and scrapes in high-traffic areas
- Durability in forklift and industrial vehicle traffic areas
- Aggressive adhesive performance when you need it, easy removal when you don't
- Tapered edges to minimize "pick points" and traffic bumps
- Easy installation with minimal tools

Target Markets & Personas

EH&S, Operation and LEAN/5S Managers. Look for the following:

- Lack of floor marking throughout the facility
- Torn or worn floor tape in high traffic areas
- Pallet areas with ineffective floor marking
