

Sawing - Jigsaw Blades - XPC® Wood Cutting Blades - XPC Aluminium Cutting Blade - Bimetal Long Life

DT2221

DT2221 Features

- XPC high performance jigsaw blades are designed for optimum cutting control and accuracy with long cutting life
- New "Plunge Point"™ tip for easy plunge cutting into all wood and wood substitute materials
- Long life - Optimum tooth geometry, increased blade and tooth strength and premium steel body for longer blade cutting life
- Accuracy & Control - Thicker blade body, increased taper angle and optimised tooth geometry for greater accuracy and control of cut
- Breakout - Slim narrow angled tooth design for clean cutting with less material breakout
- Fast cutting - Larger deeper gullets between teeth for easier wood chip removal and faster cutting
- Bi-metal products for extra long life (up to 2 x life of standard HCS XPC blades)

DT2221 Specifications

Applications	Fast straight cuts in aluminium, plastics, pipes and profiles. Extra long cutting life
Overall Length	100 mm
Working Length	70 mm
Tooth Pitch	3.0 mm
Max DOC	30 mm
Equivalent Bosch Ref.	T127DF
Pack Qty	3
M.O.Q.	1
