

White Waste

White Waste

From our parent Company Polypipe, the Pushfit range for neat ,economic and most new installations, which now includes new grey range. Multifit will connect to other manufacturers waste systems and is quick and easy to install.

Waste fittings, traps and pipe, available both loose and in pre-packed packaging, with complete easy to follow fittings instructions. These ranges are available in 22mm (3/4"), 32mm (1 1/4") and 40mm (1 1/2"), with products to cover all waste installation and repair requirements such as Washing Machines and dishwashers, sinks, basins, showers and baths. Flexiwaste provides users with the means to cope with odd angles, alignment problems and obstructions.
